3 Season Porch

Charming and beautifully maintained describes this 1,344 s.f. home situated on a wooded lot with a stone wall. The kitchen features white cabinets, a new floor, new countertops and is equipped with a gas range, dishwasher and refrigerator. Laminate wood floors have been added to the open living room and dining room as well as the three bedrooms and hallway. Both baths have new ceramic tile floors and white cabinets. The laundry area is complete with a washer and dryer.

A three season porch with composite decking and sliding windows is off the kitchen/morning room. Additional features include ceiling fans, a storage shed, two new storm doors, gutter helmets, new water heater, central air and lots of garden plantings.

Call 508-923-0002 for an appointment today. Sales and information center open daily from 10 to 5. The Oak Point lifestyle you deserve is waiting for you.
