Living Room w/gas fireplace

Absolutely like new three year old home with 1,674 square feet of living space. You will love this bright and airy open floor plan. The living room features hardwood floors and a gas fireplace while the dining room special touches include a tray ceiling with a rounded soffit, recessed lights and more hardwood. A large kitchen with a morning room offers hardwood, center island, corian countertops, smooth top electric range, dishwasher, and microwave. The master bedroom suite has two large walk-in closets and the bath has a large shower stall and cultured marble countertop. The additional bedrooms are separate from the master suite and there is a full bath with a shower/tub.

Additional features include a one car garage, large rear deck, front porch, central air, irrigation system and many more special details.

Sales and Information Center open daily from 10 to 5. Call 508-923-0002 for an appointment. Start living your best life today. Enjoy yourself and live like you're on vacation everyday!
