Living Room

This unique style home is like new and has gleaming hardwood floors throughout. Known as “the sunset house” to family and friends you will enjoy the view from three sliding glass doors that lead to a 12’ x 30’ maintenance free deck. The large kitchen features a center island and high end appliances that any cook will love. The gas range, microwave, double drawer dishwasher and French door refrigerator with bottom freezer are included. The great room has a gas fireplace with wall mounted Sony Bravia TV with surround sound installed. Formal dining is just off the kitchen and there is also an office with built in desk that can serve as a guest room.

The master bedroom suite has a fabulous walk in closet and large wall mounted Sony TV along with a full bath that has a large soaking tub and separate shower stall with seats.

Additional features include an oversized laundry room equipped with washer and dryer, ceiling fans, 6’ x 16’ farmer’s porch, two car garage, central air and an irrigation system.

Call 508-923-0002 for an appointment today. Sales and Information Center open daily from 10 – 5. Live like you’re on vacation everyday, you will be glad you did.
